Debtors /

Debtors move the Court as follows:

1. For an order granting a discharge to Debtors on account of
their having satisfactorily completed a Plan of
Reorganization ("Plan"); and thereafter, for an order granting a
final decree.

2. In support of the Motion for Discharge, Debtors represent
that a Plan was filed on July 30, 2014, and confirmed on
September 25, 2014.

3. The Plan dealt with priority taxes owed to the Franchise
Tax Board ("FTB"), and one impaired class of unsecured

1 creditors ("Creditors"), designated as Class 2. The Plan, also
2 provided for payments to various secured classes that were
3 secured by real property.

4 4. The Plan provided that the Creditors would be paid a
5 dividend of 20 percent of their allowed claims, and that the FTB
6 priority claim would be paid in full. The Plan provided that
7 Debtors would be entitled to a discharge upon completion of
8 payments to the Class 2 unsecured Creditors.

9 5. Filed herewith is Debtors' Declaration In Support of
10 Discharge as well as Debtors' Certification of Plan Payments
11 Made ("Certification"). Debtors represent that payments to
12 Creditors and FTB were paid as required, except that certain
13 Creditors were not paid (see Certification); however, as to those
14 unpaid Creditors, California's four year statute of limitations
15 bars collection of such debts.

16 6. As there will be no further business before the Court upon
17 entry of Discharge, Debtor requests that a Final Decree be
18 entered thereafter.

19 WHEREFORE, Debtor requests that the Court enter a Discharge
20 order pursuant to 11 U.S.C. Section 1141, and thereafter enter a
21 Final Decree.
